Kenora, ON (Best Western Lakeside Inn) July 22 (Thu.) 9:30 am to 5:00 pm

Other courses in Winnipeg will resume in the fall.

Course Descriptions:

Basic 6.5 hours including exam (see dates above) **\$70 ## BEST VALUE ## Please Pre-register

The Basic is suitable for all levels of boating experience and is enjoyed by all. It is strongly recommended for youth, boaters with less experience and Commercial Boaters. We recommend the entire family take it together.

Refresher 3.5 hour - course plus exam (2nd part of dates above) **\$60 Please Pre-register

The Refresher course happens in the last half of the Basic course. Experienced boaters can take the shorter refresher course which will cover a few of the more difficult topics like buoys, markers and right of way rules. It will NOT cover all the course material you will be tested on. It is strongly recommended you read the manual ahead of time.

Challenge exam (2nd part of dates above or by appointment) **\$55 Please Pre-register

The Challenge Exam is for experienced boaters who have studied on their own. It can be written in the last hour of a course. Please call to register and confirm the time. Or call to book an appointment to write the exam in Winnipeg

****Note: Prices may vary at certain locations**
